What does Christmas mean to me?

By: Connor Stoe

It's the most wonderful time of the year. That's what I hear people singing and it's true! It's Christmas! This is what Christmas means to me.

First of all, one reason Christmas is especially special is because it is Jesus's birthday. God gave us the greatest gift of all by bestowing Jesus to Mary so that he would save us all. He went from a tiny little baby in a hay manager to the savior of the world. The three wise men gave Jesus gold, frankincense, and myrrh when he was first born. Can you believe that's what started the act of giving presents?

Second of all, Christmas means family and friends coming over. It's especially fun whenever all my cousins come over to play and celebrate the season. They usually trash my room but afterwards they help clean it up. My favorite part is when we all sit on the floor and couches and open our gifts one at a time. The best gift giver is my mommy. My great Grandma, Mamaa is also a great gift giver.

Another reason the Christmas season is great is because I love to put up Christmas decorations. I love to open the ornament box and hand my mommy ornaments and then see something I made. I also love to help my daddy put up the Christmas lights by steadying the ladder and holding and passing the clips. I really enjoy helping put up the indoor and outdoor decorations like the light up Rudolph, the stocking holders, and the wreath we hang on the door.

In conclusion, Christmas means Jesus's birthday, family and friends coming over, and putting up decorations. Faith and family are the most important because without them we wouldn't have this great season. It truly is the most wonderful time of the year. That is what Christmas means to me.
