

What Christmas Means To Me

By : Kim Tran

Christmas is a cheerful holiday. The time of the year when animals start to hibernate, and even trees rest during this cold snowy holiday. Christmas is all about family and spending time with the ones you love, along with treats and presents under the Christmas tree, because the thought is what counts. Friends and family come together to enjoy this jolly holiday and have fun while they play.

Waking up to a snowy day, look out the window,
your friends wanna play. Grab your coat,
put on your warm Christmas smile, enjoy it while
you can because it only lasts for a while.

Having fun with my friends, that's one thing I enjoy the most,
along with sitting near a warm fire with some delicious hot cocoa.

A guy named "Santa" with a welcoming laugh,
comes and visits to bring gifts of your wishes.

Through the chimney and down he goes with wonderful cheers
saying "Ho Ho Ho". Warm hot cocoa near the chimney,
with warm milk and freshly baked cookies.

Take a sneak peak, under the tree, look at the presents,
I wonder what they could be.

Smiles and love, across the world,
family and friends, around the globe. A wonderful time
of the year, when soft cold snow starts to appear.
Wrap your presents, put them underneath the tree,
so many colors like red, white, and green. This jolly holiday
is one I won't forget, my favorite holiday enjoying it is
one thing I won't regret.

It's time for dinner, a Christmas feast,
family and friends are hungry and are ready to eat.
The end of the night, it's time to rest,
put out the light, and go to bed, sleep tight
and don't let the bedbugs bite. Don't worry they say,
Santa is on his way.

Before I go to sleep, I must say,
I hope the next Christmas is not that far away.
The happiness this one holiday brings, with joy
to friends and family. No matter how old you are,
you are never too old to celebrate Christmas,
a wonderful magical holiday.

Merry Christmas &
Have A Happy New Year!
